

Culture of Belonging Survey

Assess and improve equity in your organization.

Create a diverse, equitable, and inclusive workplace

Every organization strives to create a safe and accepting environment for its staff, but having enough insight to make meaningful cultural change is a challenge. The Concentrix Culture of Belonging Survey is a pre-packaged solution designed by DEI experts and deployed by leading global companies. It is purpose-built to help your company easily measure and quickly improve diversity, equity and inclusion.

Key Features

BEST PRACTICE DEI SURVEY

Pre-packaged survey templates include the dimensions necessary to evaluate and improve DEI

TEXT ANALYTICS

Instantly analyze employee comments, categorizing comments to isolate underlying issues

MULTILINGUAL CAPABILITIES

Surveys can be offered in any language, allowing you to reach any employee across the globe

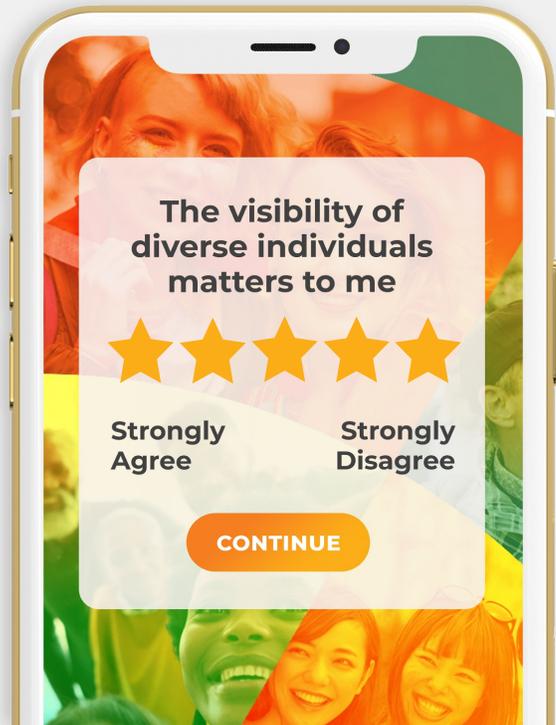

INTERPRETIVE REPORTING

DEI experts will analyze results and develop tailored action plans for improvement

Benefits

-  Accelerate culture change with more visibility into opportunity areas
-  DEI targets with clear accountability
-  Foster a culture where feedback is pursued and it's okay to speak up
-  Launch your survey and access organizational insights in 3 short weeks
-  Access to DEI research experts and best practices
